The schedille will state the times within which articles will be required to be delivered; and where the printed schedule is not used the periods stated in it for deliverice must be copied in the bids. All the articles which may be contracted for must be delivered at such place or places, including drayage and cartage to the place where used within the navy-yards, respectively, for which the odier is made, as may be directed by the commanding officer thereof; and, all other things being equal, preference will be given to American manufacture. No article will be received a tier the expiration of the period specified in the schedules for the completion of deliveries, unless specially authorized by the department.

It is to be provided in the contract, and to be distinctly understood by the bidders; that the amount and number of articles onumerated in classes headed "miscellaneous" are specified as the protoble quantity which may be required, as well as to fix data for determining the lowest bid; but the contractor is to furnish more or less of the said enumerated articles, and sinch quantities, and six six data for destermining the lowest bid; but the contractor is to furnish more or less of the said enumerated articles, and six such quantities, and six six furners are precised as the protoble quantity which may be required, and requisitions, and true through the post office shall be deemed sufficient m-tice, during the fiscal year ending 30th June, 1858; and whether the quantities required be more or less than those specified the prices shall remain the same.

All the articles under the contract must be of the best quality, delivered in good order, free of all and every charge or expense to the government, and subject to the inspection, count, weight, or measurement of the said navy yard, and be in all respects satisfactory to the commandant thereof. Bidders are referred to the yard

It is to be provided in the contract that the bureau shall have the power of amulting the contract, without less or damage to the government, in case Congress shall not have made sufficient appropriations for the articles named, or for the completion of works estimated for, and on which this advertisement is based, and shall also have the power to increase or diminish the quantities named in the classes not headed "intaccliancous" in the schedule twenty dive per cent.

Persons whose offers shall be accepted will be notified by letter through the post office, which notice shall be considered sufficient; and, if they do not enter into contract for the supplies specified within fifteen days from the date of notice from the bureau of the acceptance of their bid, a contract will be made with some other person or persons, and the guarantors of such defaulting bidder will be held responsible for all delinquencies.

All offers not made in strict conforming with this advertisement will, at the option of the bureau, he rejected.

Those only whose offers may be accepted will be notified, and contracts will be ready for execution as soon thereafter as may be practicable.

SEALED PROPOSAIS for delivering 50,000 cubic beto for or promisenous live oak in each of the navy-yards at charlestown, Massachusetts; Brooklyn, New York; Philadelphia, and at Gosport, Virginia, will be received at this bureau until the 15th June, 1857.

Seaport, Virginia, will be received at time our can until the 1oth June, 1857.

These proposals must be endorsed Proposals for Live Only, that they may be distinguished from other business letters. The offers may be for one or all the yards, but must be for the whole quantity at any yards, and, as required by law, must be accompanied by a suitable quarantee, the form of which is herewith given.

Suretics in the full estimated amount will be required to sign the contract, and, as additional and collateral security, 15 per cent, will be withheld on the amount of each delivery until the contract is com-

contract, and, as additional and collideral security, 15 per cent. will be withheld on the amount of each delivery until the contract is completed.

In all the deliveries of the timber there must be a due proportion of the mest difficult and crooked pieces, otherwise there will be withheld such forther amount, in addition to the 15 per cent., as may be judged expedient to secure the public interest until such difficult portions be delivered. The remaining 55 per cent., or other proportion of each bill, when approved in triplicate by the commandant of the yard, will be paid by such navy agent as the contractor may name within thirty days after its presentation to him.

It will be stipulated in the contract that if default be made by the parties of the first part in delivering all or any of the timber named of the quality and at the time and place provided, then and in that case the contractor and his sureties will forfeit and pay to the United States a sum of money not exceeding twice the total amount therein agreed upon as the price to be paid in case of the actual delivery thereof, which may be recovered from time to time, according to the act of Congress in that case provided, approved March 3, 1843.

The 50,000 cubic feet to be delivered in each yard will be in the following proportions—any 8,000 cubic feet of be elawing it and it is like in the following proportions—any 8,000 cubic feet of the sixing it and it inches. These pieces to be in number in the proportions in which they enter that the construction of a ship-of-war, conforming sintantially in shape, longth, and character with those heretofore received with frames of corresponding siding, the moulds of which can be seen at any of the yards named.

32,000 cubic feet of the siding of 13 and 15 inches, in about equal quantities of each, and 5,000 cubic feet of a siding of 12 inches; all these pieces being in length from 13 to 17 feet, having a natural and fire curve of from 13 to 30 inches or more in that length; and two thirds the number of the pieces

I, of the State \_\_\_\_, hereby agree to furnish and deliver at the United States mavy-yard at \_\_\_\_\_, fifty thousand cubic feet of live-oak timber; in conformity with the advertisement of the Bureau of Construction of the date of May 2, 18-57, viz.

8,000 cubic feet, suitable for principle pieces, sided 18 and 20 inches, at — per foot.

32,000 cubic feet, suitable for principle pieces, sided 18 and 20 inches,
32,000 cubic feet curved timber, sided 13 and 15 inches, length 13
5,000 cubic feet curved timber, sided 12 inches, length 13 to 17
feet, at — per foot.
5,000 cubic feet timber, siding 13 and 15 inches, length 17 to 20
feet, at — per foot.

Total value.

Should my offer be seed.

feet, at — per foot.
Total value.
Should my offer be accepted, I request to be addressed at and the contract forwarded to the navy agent at — and certificate.

A B.

Form of Guarantee.

The undersigned, of in the State of , hereby guaranty that, in case the foregoing bid be accepted, will, within ten days after the receipt of the contract at the post office named, or may agency designated, execute the contract for the same, with good and sufficient sureties; in case said shall fail to enter into contract as aforesaid, we guaranty to make good the difference between the offer of the said.

I hereby certify that the above-named CD and EF are known to me as men of property, and able to make good their guarantee. (Date.) (To be signed by the United States district judge, United States dis-trict attorney, collector, or navy agent, and no other.) May 2—lakw+

Washington Aqueduct.

OFFICE OF THE WASHINGTON AQUIDUCT, Washington, March 5, 1857. DROPOSALS are invited for materials and work for the Washington aqueduct.

Proposals received up to 7th May will be opened at noon of that

hay. Maps, profiles, and specifications of the materials and work to be et will be ready for examination at this office on and after the 20th

Maps, protes, and speciateates of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works, and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriations; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in sase of the Appropriation not holding our sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States.

one. Payments will be made in specie checks upon the United States

Payments will be made in specie checks upon the United States treasury upon the mouthly estimates of the engineer, reserving 10 percent; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All highs should be scaled, and endorsed 'Preposals for work or materials on the Washington Aqueduct.'

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductve to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district attorney, many agent, or some officer of the general government or individual known to the Engineer or Department of War, that the guarantors are able to make good their guarantee.

Bids will be opened in presence of bidders, if any of them choose to be present.

To Capt. M. C. Meigs, U. S. Engineers. We, the undersigned, residents of We, the undersigned, residents of \_\_\_\_\_\_\_in the State of \_\_\_\_\_\_\_hereby, jointly and severally, covenant with the United States, and guaranty, in case the foregoing bid of \_\_\_\_\_\_\_\_be accepted, that he me they will, within ten days after the acceptance of the said bid, execute the contract for the same, with good ands ufficient survoits to perform or furnish the articles proposed in conformity to the terms of the advertisement under which it was made. And in case the said \_\_\_\_\_\_\_ shall fail to enter into contract as aforesaid, we guaranty to make good the difference between the offer by the said \_\_\_\_\_\_ and the next lowest bidder.

(Signed) A. B. C. D.

I hereby certify that, to the best of my knowledge and belief, the above named guarantors are good and sufficient.

By the act approved June 17, 1844, the Secretary of the Senais is effected to confine his purchases exchasively to articles of the growth and manufacture of the United States, provided the same can be precared of such growth and manufacture of such growth and manufacture. A preference will therefore be given to the productions of American industry; and all presons making proposals to supply any article will state whether the same is of the growth and manufacture of the United States.

The articles must be delivered at the office of the Secretary of the

Senate at Washington, free of any charge for carriage, on or before the 10th of September next.

Every article must be of the very bad quality, unless an inferior article is called for.

Every article must be of the very best quality, unless an inferior article is called for.

It is estimated that the quantities above mentioned will be required for the first is necessive, to the Secretary to order, upon giving reasonable notice, any additional quantities during that sension, or for any subsequent sension of the Thirty-fifth Congress.

A sufficient specimen of each article proposed for (of paper half a quire, and of envelopes 25) is to accompany the proposel, and to be marked with the name of the proposer and the price of the article, and of paper the weight per ream. The whole of each article specified in the foregoing list will be deemed a class; and the person offering to furnish any such class at the lowest price (quality considered) will receive a contract for the same on exceuting a bond, with two or more surveius satisfactory to the Secretary of the Senate, for the performance thereof, under a forfeiture of twice the contract price in case of failure, which bond is to be filed in the office of the said Secretary within ten days after the proposals have been accepted.

If any article contracted for should not be delivered within the time stipolated, or should be inferior in any respect to the sample, the bond of the sample of the sample, the bond of the sample of the sample of the sample, the bond of the sample of the sample.

Sale of Indian Trust Lands in Kansas Terri-tory.
PROCLAMATION

BY THE PRESIDENT OF THE UNITED STATES. IN pursuance of law, I, FRANKLIN PIERCE, Pres-

threa. Townships sixteen and seventeen, range twenty-four. Townships sixteen and seventeen, range twenty-four, are hereby set apart and reserved from sale.

Also, at Lecompton, in said Territory, commencing on Tacaday, the twenty-third day of June next, for the disposal of such of the lands held in trust by the United States for the benefit of the Delaware tribe of Indians as are situated within the undermentioned townships, compelsing the season pertion of the lands coded by the said Delaware Indians, in trust as aforesaid, to wit:

Townships six, sever, eight, nine, and ten, of range eighteen. Townships six, acyas, eight, nins, and ten, of range eighteen.

The arms of said sakes will be cash, and no bid will be received below the valuation placed upon the several tracts by the commissioners duly appointed for the purpose of classifying and valuing the same; and upon payment being made, receipts in duplicate will be executed therefor, one of which will be delivered to the purchaser.

Patents will subsequently be assued for the lands so purchased in accordance with the laws in force regulating the issue thereof.

The offering of the above lands will be commenced on the days respectively appointed, and will proceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been offered and the sales thus closed.

All purchases not paid for on the day of sale will be reoffered on the following day at the risk of the defaulting purchaser.

Given under my hand at the city of Washington this twenty sixth day of February, eighteen hundred and fifty-seven.

FRANKLIN PIERCE.

By the President:
GRO. W. MANYFENNT,
Commissioner of Indian Affairs.
N. B.—No newspaper is authorized to publish the foregoing advertisement without special instructions to that effect from the Commissioner of Indian Affairs.
Feb 28—LawtIJune.

Change of the Place of Sale of the Delaware Trust Lands in Kansas. NOTICE is hereby given that the place of sale of the Delaware trust lands in Kansan Territory, advertised to take place at Lecompton on the 23d day of June next, has been changed to, and will commence at, Osawkee, in said Territory, on the

y and date.

By order of the Secretary of the Interior:

CHARLES E. MIX.

Commissioner ad inte DEPARTMENT OF THE INTERIOR, Office of Indian Affairs, April 6, 1857.

Change in the Days of Sale of the above-de-scribed Indian Trust Lands in Kansas.

NOTICE is hereby given that the days designated to the foregoing proclamation for the in the foregoing proclamation for the commencement of the of certain Indian trust lands are changed and postponed to the ollowing periods: Iowa lands, at Iowa Point, to Wednesday, 3d day of June next. The lands of the Weas, &c., at Paoli, to Wednesday, 24th d

June next,
June next,
Delaware lands, at Osawkee, to Wednesday, 15th day of July next.
By order of the Secretary of the Interior:
CHARLES E. MIX.

United States Patent Office, Washington, April 8, 1857

Washington, April 8, 1857.

ON the potition of Harriet V. Terry, administrative of Wm. D. Terry, deceased, of Boston, Messachusetts, praying for the extension of a patent granted to the said Wm. D. Terry, on the 12th day of July, 1843, for an improvement in "cast iron pavements," for seven years from the expiration of said patent, which takes place on the 12th day of July, 1857—
It is ordered that the said position be heard at the Patent Office on Monday, the 29th of June next, at 12 o'clock, m;, and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of hearing. All testimony filed by either party to be used at the said hearing must be taken and trassimitted in accordance with the rules of the office, which will be furnished on application.

cordance with the rules of the office, which will be furnished do application.

The testimony in the case will be closed on the 19th of June; depositions, and other papers relied upon as testimony, must be filed in the office on or before the morning of that day; the arguments, if any, within ten days thereaffer.

Ordered, also, that this notice be published in the Union, Intelligencer, and Evening Star, Washington, D. C.; Republican, Rallimore, Md.; Pennsylvanian, Philadelphia, Pa.; Daily News, New York, N. Y.; and Post, Beston, Mass., once a week for three successive weeks previous to the 29th of June next, the day of hearing.

CHARLES MASON.

CHARLES MASON,

P. S.—Editors of the above papers will please copy, and send their fills to the Patent Office, with a paper containing this notice. Ap 9—law3w THE NEW YORK AND LIVERPOOL UNITED States mail stoamers.—The ships comprising this line are the

These ships having been built by contract expressly for government service, every care has been taken in their construction, as also in their engines, to insure strength and speed; and their accommodations for passengers are unequalled for elegance and comfort.

Price of passage from New York to Liverpool in first cabin, \$130: in second cabin, \$75. From Liverpool to New York, 30 and 20 gainess.

guiness.

An experienced surgeon attached to each ship.

No berths can be secured until paid for.

The ships of this line have improved water-light bulk heads, and, to avoid danger from hee, will not cross the Banks morth of 42 deg. until after the 1st of August.
